Admission of High School Students Seeking Dual Enrollment

Current high school juniors and seniors may apply for a limited amount of college-level courses provided by OCC and simultaneously earn high school (dual) credit.

To enroll as a dual enrollment student, a student must meet the following admissions requirements:

1. Complete the “undergraduate non-degree seeking” application. This application is available online at occ.edu/apply. Applicants must sign the Student Covenant and Financial Agreement, and parents of applicants must sign the Parent Consent section.
2. Submit the prospective student’s most recent high school transcript indicating a grade point average of at least 2.5 on a 4.0 scale. The following Ozark classes are eligible for dual enrollment status:
 - Introduction to Biblical Studies (3)
 - English Comp 1 (3)
 - English Comp 2 (3)
 - Essentials of Spiritual Formation (2)
 - Psychology (3)
 - Any 1000-level class approved by the Academics Office

Dual-enrollment students are limited to 6 credit hours per semester. Online and in-person options available.

Due to government requirements, dual enrollment students are not eligible for federal financial aid, nor will they be considered for institutional scholarships.

NOTE: Dual enrollment students must be at least 17 years old to enroll in classes at Ozark Christian College. (A junior in high school who is 16 years old and is seeking dual enrollment may request an exception with the Admissions Office.) Dual enrollment students are not eligible to live on campus.
