Thermopolis, Wyoming is a small town of around 3,000 people, located 90 miles from Cody, WY and 180 from Yellowstone National Park. It is known for its large thermal hot springs, petroglyphs and dinosaur museum. We have great hunting, fishing, trapping, hiking and other outdoor activities available. The Big Horn River is known to be one of the best fishing spots in the state.

Hot Springs Christian Church has been a part of the community since the 1980's. We are a small church of 12 - 20 members currently as we have people come in and out of town.

We are looking for a part time or retired Minister to preach, teach and minister to our members, some experience desired in an independent Christian Church.

Please send resume and statement of beliefs to:
